Property Description

Situated on the edge of the dynamic town of Condom, with its shops and schools, in a dominant position, this architect-designed villa with its swimming pool and terraces is sublime both inside and out.

Its 240 m² of living space is divided into a vast entrance hall with a wood-burning stove whose heat is

distributed throughout the first half of the house. A large & bright living room which opens on 3 sides onto beautiful terraces, its fireplace and television area provide a great deal of comfort. There is a cathedral ceiling with an exceptional roof frame which adds a great deal of charm to the property. Continuing on the ground floor there is a fitted kitchen which opens a south-facing terrace and a pantry. On the 'night side' there are 2 double bedrooms, a large bathroom, a linen room, a toilet and a 3rd bedroom which is currently being used as a study. On the first floor there is a mezzanine with a sitting area and a 4th double bedroom with its own toilet. Most of the rooms have large picture windows that open onto the various terraces and provide plenty of light.

The swimming pool has a large covered terrace and a summer kitchen with barbecue. A carport for 2 cars, a wood shed, a small outbuilding for gardening tools that also houses a wine cellar and a garage with laundry room complete the property. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
