Property Description

Located between the communes of Grenade and Castelnau d'Estretfonds, this farmhouse, of approximately 343sqm, has benefited from a quality renovation. From the entrance, the volumes are impressive. The entrance opens directly onto a large living room of over 80sqm. The contemporary elements, resulting from the renovation, blend perfectly with the old character of this building. The wood stove brings a touch of

conviviality and warmth. The dining kitchen, semi-independent, spacious and fully equipped, provides direct access to the outdoor space. A first bedroom with its bathroom is located on the ground floor. The upper floor provides access to two distinct spaces. The first consists of an independent office and, continuing on, a relaxation lounge overlooking the living room on the ground floor. On the other side, the sleeping area consists of two bedrooms with generous volumes. A master bedroom with dressing room and a child's bedroom. A large and bright bathroom as well as an attic complete this floor perfectly. In addition to this property, a T2 apartment of approximately 45sqm, also renovated, offers different solutions depending on the planned project: independent accommodation for guests, professional premises or even tourist accommodation for rental. It opens onto a living room open to the kitchen. Everything is bathed in light and decorated with a pretty wood stove. As an extension, a bedroom and its bathroom complete this accommodation. A garage as well as a reserve allow you to have large spaces to park your vehicle and benefit from large storage spaces. The exterior requires very little maintenance to date. A huge shaded terrace allows you to enjoy the peaceful environment in complete peace and quiet. Complete renovation: carpentry, electricity, plumbing, insulation. A62 access 10 minutes away. Energy cost for the year 2023: approximately EUR1700. DPE farmhouse: ENERGY CLASS: D / CLIMATE CLASS: D Estimated average amount of annual energy expenditure for standard use, based on energy prices for the year 2021: between 2,900 euros and 3,980 euros DPE apartment: ENERGY CLASS: D / CLIMATE CLASS: B Estimated average amount of annual energy expenditure for standard use, based on energy prices for the year 2021: between 460 euros and 690 euros Information on risks to which this property is exposed are available on the G eorisks website

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.

For more information take a look at our **buying guide**, our **french mortgage** and **euro currency exchange** pages.

Testimonials

my-french-house was by far the best online guide I found – and I trawled them all – to buying a house in France. It answers all your first questions practically before you've thought to ask.

C. BAUER – Sunday Times

Our French property purchase and move to France were made so easy with the help and assistance of my-french-house.com. They are a committed and professional business – we highly recommend them.
