Property Description

Magnificent renovation for this character villa. Originally an old barn, the house was completely reinvented by an architect and an interior designer offering today a rare gem, set in a rural and quiet environment, just 8 minutes by car from the nearest shops.

Surrounded by more than one hectare of scrubland, Mediterranean plants and pine trees, the property is accessed via an impressive drive lined with cypress trees.

The living room of more than 96m² is breathtaking. Bathed in light, with its cathedral ceiling more than 5 meters high with exposed beams and large windows perfectly framing the views of the surrounding countryside.

Designed with great taste and quality materials, features include underfloor heating, a stone fireplace, polished concrete floors, good thermal insulation, lighting dimmer controls.

The semi-professional kitchen offers plenty of storage and cupboards, a stone worktop, a large central island with integrated hob and oven, two sinks and two dishwashers. The dining area opens onto a south-facing terrace with a stone fireplace.

A master suite with bedroom and adjoining bathroom (with two showers) is accessible from the living room.

The house also has on the ground floor a utility room, a laundry room, a workshop/office and a garage.

The tower, equipped with a magnificent oak staircase, leads to a dressing room and a bathroom on the 1st floor as well as a fabulous bedroom with panoramic views on the 2nd floor.

An exceptional property in a sought-after, quiet location, near a small wine-growing village in the heart of the Corbières.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
