Property Description

A mansion of character, this old 18th century farmhouse has been elegantly restored. Its large spaces and volumes are conducive to making it a pleasant family home a few minutes from the city center. In a calm and bucolic environment, its park of more than 3000sqm entirely fenced accommodates a magnificent swimming pool with its travertine terrace. A shaded pool house has a summer kitchen with its wooden terrace in the old

pigsty. The old stable can accommodate a workshop, a closed garage, a wine cellar, and an attic with additional potential. In the building, an entrance opens onto a corridor which allows you to go around the house and which serves the living area. On the ground floor there is a bedroom, a dressing room, a gym, a double living room with fireplace, a kitchen with its dining area, a bathroom, a toilet, and a laundry room. Upstairs, the landing accommodates an office, then a games room and a master suite with a shower room with toilet. A corridor serves three more bedrooms, one of which is adjoining, and a large bathroom with toilet. On the garden side, a 50sqm courtyard provides additional leisure or parking spaces for vehicles. A small stream that runs at the bottom of the property and a well provide the water needed to keep the park green. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
