Property Description

Located 15 mins south of Tarbes is this modern villa offering 191m² of space including an immense living space with minimalist open kitchen, four bedrooms, a master bedroom, walk-in wardrobe, study, garage, outside cooking area and heated pool as well as other features. All on a fenced plot of 1900m² with a view of the Pyrenees.

You will adore this villa which has mixed styles and enjoys a unique conception and renovation promoting

its functional modernism. Its design mixes with flair and characteristic minimalism of the living spaces and a cosiness and charm of the upper floor with its traditional visible beams.

This villa also possesses an enjoyable exterior. If you adore gardens and outside spaces then you will enjoy the conception of immense terraces, heated pool and dining and cooking areas.

Our visit starts with the 3.4m² entrance hall, equipped with a walk-in wardrobe, and the immense 68m² living room with view of the Pyrenees. You will appreciate its volumes with high ceilings and natural light. A rust-effect wood burner will provide warmth on a winter's night. This space includes the 15m² open plan kitchen.

Gourmet fans will adore the functional design of the Binoche kitchen and its equipment including two ovens (including a steam oven), hob, built-in coffee machine and ambient wine cooler. There is a 3m² larder and 3m² utility room.

The garden-level of the property has three bedrooms (9m² and two of 10m²), some with integrated storage. There is a spacious, 9m² bathroom with shower and two sinks. There is also a toilet with wash basin.

A modern staircase leads up to a 5m² landing with hardwood floor and traditional roof framework, left visible to add charm. There is a master bedroom suite with private bathroom and huge shower. There are also two attic bedrooms and a toilet with wash basin. There is also a walk-in wardrobe and a loft.

A 26m² garage has an automated roller door as well as a laundry and workshop. The 3m² pool equipment room continues on from the garage. There is also a 23m² storage room.

The outside spaces are designed with pleasure in mind. The main attraction is the heated pool with solar shower surrounded by 130m² of terraces organised with sitting, relaxation and cooking areas. There is a full outside kitchen with automated sunshade and access to the interior kitchen. Hedges border the property to create intimacy.

The automated gate is connected to a videophone which may be viewed from your phone. There is a two-vehicle carport. A second manually operated gate allows access to the property.

The roof is covered in tile. The house is built on a crawl space. An air/water heat pump system supplies underfloor heating on the garden level. There is also a wood burner. The upper floor has air/air reversible air conditioning. A 300l electric powered tank supplies hot water. Windows are double glazed and there are aluminium, PVC and wooden frames. The automated shutters are aluminium. The property is connected to the sewage mains.

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
