Property Description

10 minutes from Montauban, nestled on the hillsides, this house of approximately 240 sqm offers a life with an exceptional panorama every day. On its wooden terrace or under its Balinese pergola, its Spa with jacuzzi and counter-current swimming brings this house optimum charm and comfort. Benefiting from excellent thermal insulation, double aluminum glazing and solar panels, its wood stove ensures controlled energy consumption. With two entrances, in the lower part and in the upper part, the possibility of creating two dwellings is quite possible. The upper entrance opens onto a living room with a lounge, a kitchen and an

office. A 30sqm veranda provides additional spaces and a completely unobstructed view. The night side contains a bedroom, a large bathroom with sauna, and a toilet. The ground floor part, communicating with the upper part of the house, has an entrance, a living room adjoining another veranda, two bedrooms, a bathroom with toilet, and a laundry room. This part of the house can be fitted out and organized according to the desired project. The exterior parts benefit from a closed garage of more than 60sqm, a carport for two cars, and several terraces. Part of the land is also buildable. An automated gate opens onto the lower part of the land with its asphalt and gravel driveway, and goes around the house to another entrance with another gate, making two accesses possible. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
