Property Description

Located a few minutes from the city center of Auch, this contemporary and ecological house of approximately 240sqm impresses with its architecture. This property offers a unique and harmonious living environment, in perfect symbiosis with the surrounding nature. It is nestled in a green setting on a wooded plot of nearly 2 hectares, in the heart of the Gers hills. The avant-garde architecture of this residence, accessible by an intimate path lined with trees, is gradually revealed. With an open plan, on concrete stilts,

this architect's house is spread over two floors. Concrete and steel are combined here with wood, in a bias that favors a natural material. It offers, in a simple volume, great spatial fluidity and plays with the slope of the land. Glazed on all sides, it offers a feeling of total immersion in nature, with balconies and terraces allowing you to escape to the garden and enjoy the panoramic view. The ground floor receives the living rooms on 110sqm. The kitchen precedes the many spaces with a strong personality: library, living room, living room and the dining room. A first night space with a bedroom and bathroom finds its place. The first floor, meanwhile, is dedicated to rest. Three bedrooms find their place and, slightly apart, a master suite completes this level. The exteriors are not left out, the naturally wooded land constitutes the ideal setting. Many footbridges lead to a swimming pool below the construction with an unobstructed view. This exceptional house, both modern and integrated into its natural environment, is a rare place to live, combining serenity and proximity to the Capital of Gers. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
