Property Description

Nestled on the hillsides with a breathtaking view, this architect-designed house of approximately 212 sqm lives up to its exceptional location. Its various terraces and large bay windows opening onto this superb panorama give very good sensations. The entrance opens onto a living room that can be bypassed by its central staircase, passing from one space to another in complete fluidity. The living room, very bright, has a

fireplace, and communicates with the dining room, from which one accesses a first terrace. An office, convertible into a bedroom, embellishes this corner. In the extension, the kitchen with 16/9 glazing offers a magical view, and benefits from beautiful spaces and a sheltered terrace, equipped with a built barbecue. Opposite the kitchen, the pantry provides the necessary storage, and the laundry room that follows, also provides others. On one level, there are three bedrooms, including two master suites and a family suite. The first has an open mezzanine, the second has a closed mezzanine with a second attic bedroom, and the third has a dressing room. Each has a shower room and a toilet, and can be made independent to create guest rooms. Return to the central staircase, which leads upstairs to a master suite, composed of a bedroom with balcony, a bathroom with toilet, and a separate dressing room. In the basement, a double garage, with spaces for storage and the technical parts of the house. On a plot of more than one hectare not buildable, nature and calm are the key words of this exceptional place. The 12-meter swimming pool and its wooden terrace complete this decor with its magnificent umbrella pines. 10 minutes from Montauban, and 4 minutes from local shops, in the heart of a village where life is good, this contemporary house benefits from a rare and unique location. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
