Property Description

With beautiful volumes, this contemporary house of approximately 199 sqm seduces with its originality and singularity, a stone's throw from the city center. Its outdoor patio, decorated with a wooden terrace and a swimming pool, provides a magnificent relaxation area and is positioned as the heart of this house. The facade accommodates a double garage with automated doors and an airlock, which secures access to the

house. The front door opens onto a corridor with cupboards and a toilet, and gives access to the living room bathed in light thanks to its skylights and bay windows. The charm is immediately apparent with this magnificent polished concrete floor, this staircase and these raw metal beams. The open kitchen, from a major brand, has a pantry-laundry room and a second access to the garage. The staircase leads us to two mezzanine spaces that can be suitable for an office area, or for another use. Upstairs, two bedrooms, each 18sqm, with sloping ceilings, have built-in cupboards and a shower room located between the two rooms. Back on the ground floor, where a corridor runs along the patio and leads to a TV room, a storage room, terrace access, a toilet, and a shower room. Another staircase leads us to the 25sqm master suite, located in the other wing of the house, and with a shower, a bathtub and plenty of storage space. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
