Property Description

Authentic stone farmhouse dating from the 19th century in a sumptuous setting. Surrounded by nature, pine and olive trees on more than 1.9 hectares, with swimming pool and pool house, this completely refurbished stone farmhouse offers 240m² of living space divided into a main house and a gîte.

This character farmhouse has retained all its authenticity: stone walls, exposed beams, tiled floors.

The main house offers: a spacious living room with fireplace opening onto a terrace with sublime views over the entire Roussillon valley, the sea and the mountains, an equipped kitchen with fireplace, a pantry and a wc. On the 1st floor: a bathroom and 3 bedrooms including a large master suite with ensuite bathroom opening onto a beautiful terrace overlooking the countryside and the mountains.

An outbuilding adjoining the 82m² farmhouse has been converted into independent accommodation currently operated as a gîte by the owners. It has a beautiful open kitchen, a living room, a winter garden, 2 bedrooms, a bathroom, a sauna, terraces and a private garden.

The exteriors allow you to enjoy a peaceful atmosphere, the Mediterranean climate and the privileged environment. They have various sunny or shaded terraces, a large 14x7m swimming pool with pool house and outstanding views from the terraces surrounding the swimming pool.

All the property has been fitted out and decorated with great taste and attention to detail.

Ideal as a main residence to accommodate a family looking for a place to live surrounded by nature, this farmhouse is also suitable for people wishing to continue a gîte activity.

The village of Espira de l'Agly extends from the rich Roussillon plain to the foothills of the Corbières from which it is separated by a forest of pine trees. Ideally located, just 10km from Perpignan, 14km from the sea, 5km from the North Perpignan motorway exit and the airport.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
