Property Description

Located in Merville, this building of approximately 410sqm consists of a house and an adjoining T4 apartment. The whole has benefited from an exceptional renovation in a contemporary style. As soon as you enter the house, the volumes impress. It offers a vast living room of 190sqm including a swimming pool area. This sublime space has retained the charm of the old with its exposed beams, Toulouse brick, solid parquet flooring and high ceilings. Light reigns supreme thanks to the large roof windows and bay windows along the room. All of this gives access to the intimate garden without any vis-à-vis. The wood stove brings a touch of

conviviality and warmth. An open kitchen naturally extends this space. The bedrooms are separated into two compartments of the house. On one side, a hallway leads to two bedrooms, each with a dressing room. A bathroom and a laundry room complete this part of the house. On the other side, two other spacious bedrooms are located around a second bathroom. The apartment is accessible from the side of the house. The renovation carried out is of the same ilk. The entrance opens onto the living room-kitchen, the central room of the apartment. There are also two beautiful bedrooms and a bathroom. A third bedroom of approximately 20sqm is located upstairs. A terrace and its summer kitchen have been fitted out so that you can enjoy the outdoor space in complete peace. It extends over more than one hectare and is protected from any vis-à-vis. Including a wooded area of 5400sqm is accessible at the back of the plot. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
