Property Description

This magnificent 250 sqm property, nestled in the heart of a bucolic setting in Lavaur, embodies the art of living in the countryside. All ideally located a stone's throw from the motorway. This property offers a peaceful living environment surrounded by nature with its 6 hectares of private woods. The place is perfect for nature lovers or for developing an equestrian or agricultural project.

On the ground floor, the charm of the renovated old building is immediately felt. A fully furnished and equipped kitchen as well as two large living rooms open onto the outside, creating a perfect harmony between the interior and the surrounding nature. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
