Property Description

Located equidistant from Albi and Toulouse, this architect-designed house illustrates the perfect union of beautiful materials by developing an area of 397sqm on a large landscaped garden.

The entrance opens onto a large, bright living room and a veranda offering a breathtaking view of the garden to enjoy moments of relaxation throughout the year.

A fully equipped and functional modern kitchen completes the living rooms.

The sleeping area on the ground floor consists of two suites, each with its own bathroom, offering comfort

and privacy, and one including a dressing room.

The upper floor accommodates two other spacious suites, each with a magnificent view of the garden.

Here, the key words are volume and brightness.

This house also benefits from an entire basement accessible by elevator or stairs.

This space first serves a large garage which has a charging station for electric cars and which can park several vehicles.

The basement also has plenty of storage space as well as a fully equipped home cinema to feel like you're at the cinema but at home! It also has a relaxation room with a jacuzzi and sauna to relax in but also a space to do sports.

A fitted wine cellar will delight oenophiles. Finally, a multipurpose room, currently used as an office, is ideal for a remote professional activity or even a liberal profession.

The exterior, meanwhile, consists of a large 9429 sqm garden with trees and a heated swimming pool, surrounded by a beautiful terrace, a pond with an automatic cleaning system.

An outbuilding, close to the swimming pool, houses a summer kitchen as well as a bedroom and its bathroom.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
