Property Description

Located in a town between Gaillac and Albi, this contemporary house of over 300 sqm stands out for its elegance, modern comfort and an exceptional living environment. The harmony of materials such as wood and stone, carefully integrated, gives this property a unique character.

From the entrance, the charm works: the living spaces, flooded with light thanks to the large bay windows, reveal a breathtaking view of the surrounding vineyards. The rooms are harmoniously organized around a delightful patio. The office area benefits from through light, while the living room, divided into two spaces, offers a relaxation area with library and a cozy corner with fireplace, offering a soothing view of the swimming pool.

The kitchen, equipped with a central island, opens onto the living room and provides direct access to the outdoor terraces as well as the dining room. In the night area is a magnificent 43 sqm master suite, with dressing room and private bathroom. Three other bedrooms share two bathrooms.

A 26 sqm workshop space, ideal for giving free rein to creativity or which can be used as an additional bedroom, completes this level.

Upstairs, a bedroom with shower room has direct access to a roof terrace, offering a breathtaking panorama of the surrounding countryside. The large converted basement completes this exceptional property with functional spaces designed for the whole family: a laundry room, workshops and a large games room for children.

A large 117 sqm garage, completed by a second 55 sqm garage, offers a large parking space. The exterior, extending over a generous plot of 5700 sqm, is not to be outdone. It includes a magnificent heated and salt infinity pool, with a breathtaking view of the vineyards, offering calm and serenity in a true haven of peace.

This house is a real invitation to the sweetness of life, combining modern comfort, generous spaces and surrounding nature.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
