Property Description

In a green setting 5 minutes from Albi, this characterful residence extends over 370 sqm spread over three levels. Perfectly renovated, the old and the contemporary meet harmoniously. From the entrance, the charm works. The ground floor accommodates a friendly kitchen open to a dining room with a large fireplace and exposed beams. Two relaxation areas are also on this level: a bright living room that has retained its old-

world charm with its decorative fireplace and magnificent cement tiles, as well as a small living room with a cozy spirit, decorated with an insert. A master suite completes this level. Upstairs, there are two master suites with undeniable character with a magnificent parquet floor, as well as two bedrooms sharing a bathroom. The second and last floor is currently dedicated to the parents, offering more than 64sqm divided between a bedroom, an office, a dressing room and a bathroom, all enhanced by beams and stone walls. It is also possible to enlarge this space by converting part of the attic. Outside, it is a true haven of peace, entirely enclosed, which extends over more than 4300sqm. The swimming pool, accompanied by its pool house and a pétanque court, promises moments of relaxation in the heart of the vast wooded garden. A dovecote, a vestige of the past, adds a touch of authenticity to the whole. A spacious garage of 95sqm as well as a cellar / laundry room of 55sqm complete the services of this house. This property is distinguished by its quality finishes and generous volumes. It will appeal to lovers of exceptional properties, combining historical character and modern comfort. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
