Property Description

A few minutes from ALBI, in the heart of a hamlet, this beautiful stone house with outbuildings rewrote its history in 2000. A favorite of the owners, a real challenge awaited them! The surrounding walls have been preserved and the interior and exterior spaces redesigned to meet today's modern comforts. Cahier and character are the key words to describe the living rooms. The kitchen, despite its independence, offers a

pleasant dining area. The cathedral height present in the living room amplifies the charm of this room with its different openings and its mix of materials. The imposing open fireplace adds a warm touch. Life is possible on the ground floor thanks to the comfortable suite which completes this level. Upstairs, the landing serves several spaces with different atmospheres. A mezzanine overlooks the living room and serves as an office space. It is at the center of the two additional bedrooms with generous volumes, which benefit from a private bathroom and one of them from a balcony. An old wine storehouse has been converted into a covered terrace with a summer kitchen. It adjoins the swimming pool. A second terrace, this time uncovered, offers several relaxation areas and allows you to enjoy the unobstructed view of the surrounding countryside. An orchard has been planted on the more than 7,500 sqm of land belonging to the property. The attention to detail in each room creates a cozy and warm atmosphere, both inside and out. A real cocoon! Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
