Property Description

Located in Saint-Jean, this contemporary house of approximately 145sqm is located in a privileged environment. Built on a beautiful plot of 930sqm, access is at the end of a dead end. Past the gate, the resolutely modern features are gradually revealed. From the outside, we can see different modules that will articulate the different rooms. Once through the entrance, the 65sqm living room, spacious and bright, seduces. The kitchen and a back kitchen / laundry room naturally complete this space. In the extension of the living room, a large wooden terrace completes the whole in the summer season. A fireplace or a stove could

be imagined on the main wall of the living room, the conduit already being existing. The whole is open to the outside due to numerous openings. On the west wing, the corner is outlined and offers three bedrooms. The first two with bathroom with shower and bathtub. A last one, just as spacious, benefits from a private bathroom. A closed office completes the whole. Finally, the back kitchen connects to the 50sqm garage. The exterior contributes to the value of this property. A jacuzzi finds its place, a swimming pool could be imagined in the center of the garden. This architect's house, by its design and its prime location, constitutes a unique living space. Air conditioning Well for watering and sanitary use Proximity to Rouffiac Tolosan, Montrabé and the Union Toulouse - Blagnac Airport 17 minutes away Bus stop 200 meters away. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
