Property Description

This 650 sqm estate located between Castres and Albi offers a privileged living environment combining tranquility and space. This imposing residence, both in terms of its size and its architectural dimension, which was the main residence of a senator, requires work. This U-shaped building hosts a patio with tropical species worthy of a colonial house. The tone is set from the entrance with its rococo style corridor which

opens onto a kitchen area and veranda of 65sqm. A covered terrace completes this set. The house is characterized by a multitude of rooms that can be used as offices or bedrooms. Numerous passageways and covered terraces allow you to enjoy the view of the lush nature. The centerpiece of this property, a beautiful 104 sqm winter garden with its wall fresco, fireplace and glass roof, leaves room for contemplation of nature and the stars in all seasons. The monumental staircase leads to the first floor, also composed of numerous bedrooms, bathrooms, as well as an impressive ballroom or reception room. The outdoor relaxation areas are ideal for receptions, picnics or moments of meditation. Its idyllic setting, a natural pond, a swimming pool and a pond enhance this place. Several outbuildings including a 50 sqm apartment formerly used by managers, a large garage, horse boxes and numerous storage spaces promote daily life. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
