The estate is built around a courtyard paved with Lot stone, offering an authentic and welcoming atmosphere. It is divided into several dwellings and outbuildings. The main house of 220sqm on two levels, consists on the ground floor of a kitchen with period

charm with open fireplace and exposed stonework, preserving the historic character of the place. Opposite the main residence is a second dwelling of more than 70 sqm, ideal for welcoming guests or for rental use. This house consists, on the first level, of a beautiful living room with a large fireplace, a separate kitchen, a bathroom and a bedroom. Upstairs, a large attic floor, where space has been created for two children's bedrooms, which also has a bathroom. Adjoining this home, a room of more than 60sqm on the ground floor, which could be suitable for a cinema room or a meeting room. Above the latter, there is a space of more than 70sqm, currently used as an office with a water point. Ideal for people developing their professional activity from home. Multiple outbuildings complete this exceptional place, such as a garage that can accommodate six cars, a veranda, with a room of 12sqm. The park is not to be outdone with more than five hectares, made up of orchards, truffle oaks, meadows and woods, as well as the swimming pool nestled in the heart of this bucolic environment. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
