Property Description

Set just 5 minutes from the serene Lake Lampy and a charming village with shops and amenities, this expansive property offers 450 sq.m of living space in an idyllic, nature-rich setting. Surrounded by beautiful trees and abundant water features, it's a true haven for nature lovers.

This old stone building, formerly a restaurant, café, and inn, has been thoughtfully converted into eight independent lodgings. Each unit has its own electricity meter and water heater, featuring one or two bedrooms, a kitchen/dining room, and a bathroom with a toilet.

The property also boasts several shared spaces, including a games room, dining room, reception area with a stunning fireplace, communal kitchen, laundry, water point, bike storage, and sanitary facilities.

The lush surroundings span 1.4 hectares, with terraces on each side, a playground for children, a field for ball games or snowshoeing, and a small forest path. Adding to the charm, a river flows year-round near the property.

A significant bonus is the building's fresh, drinkable spring water supply through a drilling system, ensuring low maintenance and bills.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
