Property Description

Located 5 mins from Trie-sur-Baïse is this farmhouse property to renovate offering lovely views of the surrounding countryside and 6.9 hectares (17 acres) of grounds with one tenant. Close to charming villages and local commerce.

The 6.9 hectares of agricultural land have one tenant and there is a pond. The farm is ideal for a livestock, crops or market gardening project. The land is partially wooded with also open pastures and some orchards.

The farm includes a main stone-built building, several decades old and traditional in architecture. It requires a full renovation but possesses enormous potential. The stone walls offer an authentic charm.

On entering the house, you will discover, to your left, the 25m² ex-kitchen area and dining room. Back to the entrance and to your right is a 17m² living space continuing on to an 18m² room. A wooden staircase leads up to a 38m² loft.

Outside and attached to the house is a 68m² shelter and a 45m² pigsty, augmenting the charm of this farm property.

The land has a good-sized pond providing a precious water source for irrigation, livestock feeding and the local ecosystem, enriching the biodiversity of the site.

The 6.9 hectares, with one tenant, represent a rare opportunity to obtain a durable agricultural project. Its accessibility and surface area can support a long term project. Requiring full renovation, you can use your imagination to create your dream home opposite the Pyrenees.

Construction is traditional. The roof is covered in tile. The windows currently have wooden frames and need replacing. Mains services a pass in front of the property. A sewage system will have to be created.

You will be 15 mins from Castelnau-Magnoac, 15 mins from Miélan, 40 mins from Tarbes, 2h from Toulouse and from the Ocean.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
