Property Description

Located 40 minutes west of Toulouse, this property consists of 2 houses with living rooms, kitchen-cum-dining rooms, studies, 9 bedrooms, 3 shower-rooms with shared showers, 5 toilets, an attic, a terrace, 3 one-bedroom apartments, a stable, 12 loose-boxes, an old studio, a saddle room, a club house and a covered school, all on 4 hectares of adjoining land with a well and spring.

You'll enjoy finding yourself back in the middle of nature. A wonderful invitation to stroll on foot, bikes,

horses...

The property is entered from a small country road. The first house, on the left, is a mansion dating from the beginning of the 19th century.

The house is entered between 2 imposing towers. On the left of the entrance hall / hallway (12 m²) is the first bedroom (17 m²) and it communicates with the living room (15 m²) which has a fireplace and then the kitchen (16 m²), both giving onto the garden.

On the right of the hallway is a big new living-cum-dining room (50 m²). The large staircase at the end of the hallway leads to the other 4 big connecting bedrooms (17 m², 18 m², 19 m² & 20 m²), with 2 shower-rooms, 3 shared showers and 2 toilets. At the end of this hallway there is a covered terrace (19 m²).

Finally, on the last floor the attic (150 m²) is suitable for conversion and could be laid out to your liking, offering lots more space and lots of light.

Behind and adjoining the house, to entirely renew, there is a garage and old outbuildings.

The second house (186 m²) is on the right and a few metres from the first. The ground floor (93 m²) is bathed in light and is composed of a living-cum-dining room (65 m²), a study (21 m²), an open-plan kitchen (15 m²) and a toilet. There is a patio door that opens onto a wooden terrace to renovate. The staircase leads to a big landing (14 m²) that gives onto a toilet and then onto 4 big bedrooms in a row (10 m², 2 x 18 m² & 20 m²) and a shower-room (6 m²). The cellar (15 m²) has the heating system and heat pump.

Finally, next to the house is the gite (168 m²): 3 self-contained one-bedroom apartments that are almost new, one needing to be finished.

To the left of the 2 houses are the stables, the 12 loose-boxes (2x4m), an old studio, a club house and a big covered school that has direct access to nature, trails and woods. There is an old school to be fixed up. There is also a spring and a well.

The geographic situation of this property favours all horse related activities.

The roof has concave tiles. Construction is stone. The first house has oil-fired heating and for hot water. The second house has a thermodynamic hot water-heater and a heat pump. Double-glazed joinery. Individual drainage system for both houses, with 2 mini stations for the second house and gites. Not up-to-date.

This property is ideal for anyone that loves authenticity, wishing to carry out a wonderful professional or personal project.

A budget for renovation is necessary.

Located only 50 minutes from Toulouse and its international airport; 1 hr 40 min from the closest ski slopes; 2 hr from the Mediterranean Sea; 3 hr 20 min from the Atlantic Ocean; 2 hr from Spain.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
