Property Description

Located in the heart of Les Minimes in Toulouse, this loft, designed like a house, offers a surface area of approximately 165sqm (including 140.48sqm Carrez) with terrace. Resulting from the rehabilitation of a famous printing house from the 70s, this loft has benefited from two major renovations. A complete basement directly connected from the inside has been transformed into a games room, projection room or

even a reception room and can be transformed according to the projects. The main entrance is through an astonishing door. A patio provides a link with the interior. The volumes are immediately impressive. A first space is drawn; the living room is naturally extended by the kitchen. The play of light, the colors of the walls, the different ceiling heights create a real personality to the place. Slightly set back, a master bedroom takes place and offers a dressing room and a private bathroom. Opposite, a corridor serves the 3 duplex bedrooms sharing a bathroom. A laundry room completes the whole. The lower level, the former machine room, has become a 145sqm play or evening space. A final bedroom completes the living area. Close to all shops and amenities, it benefits from a complete renovation providing it with high-end services and neat finishes. Two garages are directly accessible from the loft. The prime location, coupled with a unique lifestyle, make this property a real cocoon of comfort in the city center. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
