### Property Description

Located in Lavaur, this 250 sqm character house is located in the heart of a 6-hectare estate, offering a peaceful setting without neighbors. Between generous volumes, authentic materials and omnipresent light, it combines charm and functionality. The entrance is through the independent kitchen, heated by a wood stove. Two large living rooms totaling 77 sqm reveal a beautiful high ceiling, enhanced by exposed beams, fairground bricks and a through fireplace. The open staircase brings a unique touch to this bright space. This level also has a room to be fitted out according to needs, an office, a shower room with WC, a laundry room

and a garage of almost 100 sqm. Upstairs, two bedrooms with beautiful volumes each have their own shower room or bathroom with WC. The top level offers a bedroom, a bathroom and a multi-purpose space, ideal as a spare bedroom or games room. Outside, a lean-to and a 25 sqm room complete the outbuildings. The swimming pool blends harmoniously into the environment and benefits from an unobstructed view of the surrounding nature. The entire land, including 1 hectare of woods, makes it possible to consider welcoming horses or developing an agricultural activity. A preserved living space, where volumes and authenticity blend with an exceptional natural setting. Four of the photos are layout proposals to help with the projection (living room, dining room, kitchen and bedrooms). ## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
