Property Description

Located in ALBI, in a peaceful residential area, this contemporary house offers an avant-garde and original design and implementation that perfectly combines a resolutely modern aesthetic and undeniable energy performance. The entrance opens onto a large living room decorated with an insert for the cozy side and flooded with light thanks to the bay windows allowing access to the terrace. A glass roof in the style of an

artist's studio creates an elegant separation with the fitted and equipped kitchen. It is topped with an ingenious skylight. In the extension is housed an intimate dining room. The night spaces are articulated on either side of the central living space. The west side houses 2 bedrooms each with their own bathroom, as well as a laundry room and a huge storage space. The east side is made up of two sets of 2 bedrooms connected by a communicating bathroom. Finally, the master suite offers a dressing room, a bathroom with shower and bathtub and a bedroom with direct access to the terrace and a view of the swimming pool. The exterior, enclosed and landscaped, offers a comfortable and designer relaxation area like its large concrete terrace with surface pattern and its swimming pool. This family bungalow is the perfect example of modern architecture and housing, both in its design and in its ecological and technological services as well as the comfort of life it provides. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
