### Property Description

In the immediate vicinity of the center of Saint-Orens-de-Gameville and only 15 minutes from the heart of Toulouse, this renovated old farmhouse of 147 sqm on the ground (135 sqm of living space) benefits from a prime location, ideal for combining tranquility and practicality. In addition, the technological and strategic centers of excellence of Labège are 5 km from the house.

From the entrance, the charm operates with custom-made storage integrated into the hall. An elegant workshop glass roof separates the entrance from the living room while offering a clear view of the garden. The exposed bricks, combined with a characterful chestnut parquet floor, create an atmosphere that is both warm and friendly. The dining room, bathed in light, opens directly onto a spacious and functional kitchen, designed for moments of sharing. A bathroom and toilet complete the ground floor.

Upstairs, the sleeping area consists of three large bedrooms with generous volumes, offering all the necessary comfort. An independent office allows you to isolate yourself to work or relax. A modern bathroom and a storeroom complete this space.

Outside, the landscaped garden of 859 sqm is a real green setting. Two beautiful umbrella pines shade a wooden terrace decorated with a pergola, ideal for enjoying summer meals or evenings with friends. This outdoor space also offers the possibility of installing a swimming pool. On the other side of the garden, a fully equipped workshop is arranged in the extension of a carport for 2 cars.

This old renovated farm, combining old-world charm and contemporary comfort, seduces with its neat finishes, its bucolic setting and its strategic location close to amenities and the city of Toulouse.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
