Property Description

Located in the heart of Lectoure, this beautiful 252 m² townhouse, entirely on one level, offers a unique living environment combining authentic charm with great potential. Its enclosed garden with a fountain adds a bucolic and peaceful touch, while a small independent building in the garden, ideal for an artist's studio, opens the door to many possibilities.

Part of the house is currently inhabited, but the entire property requires renovation work, providing the opportunity to redesign it according to your desires and needs.

The bright interior, thanks to large French doors and louvered shutters that filter the light, consists of a spacious living room with a fireplace and wood-burning stove, a kitchen, an office, 4 bedrooms, a bathroom, and a laundry room. Outside, a terrace offers a nice view of the surrounding fields.

A second unoccupied space includes 4 large rooms with a separate entrance, offering exceptional potential to expand the main residence, create an independent apartment, guest rooms, or a professional space.

The entire house has a basement, providing ample storage space, a garage, and a room for wood storage. It is equipped with central heating (oil-fired) and connected to the main sewer system.

Parking is easy in front of the house, and all the amenities in the lovely town of Lectoure are within walking distance: schools, shops, restaurants, the weekly market and thermal baths.

A rare opportunity to seize for this charming property

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
