Property Description

Nestled at the back of the plot, out of sight and a few steps from the popular Minimes district, this 182 sqm architect-designed house is the result of a bold restructuring of two buildings from the early 20th century. Designed in 2007 with an eco-responsible approach, it combines optimal comfort and energy efficiency. From the entrance, the natural light and volumes are striking. The 70 sqm living space is fascinating. It

consists of a living-dining room and an open kitchen combining modernity and conviviality. The large bay windows offer a fluid connection with the outside, overlooking an incredible landscaped garden. It is naturally extended by a second room that can meet various needs: office, gym, library. Adjoining this living space, an additional room can be adapted to your needs: office, gym or library. A hallway leads to a first spacious and bright bedroom as well as a bathroom. A laundry area and a separate toilet complete this level. The floors are dedicated to rest. On the first floor, a second bathroom with toilet separates two bright bedrooms. One of them offers access to a terrace and its vegetable garden. The second and last floor serves the fourth bedroom overlooking the garden. All the bedrooms; as well as the living room, are equipped with custom-made fitted cupboards. The outdoor space has been entirely landscaped and designed to offer an island of freshness. Its terrace, in the center of the garden, is a true haven of peace. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
