Property Description

Charming 3 bedroom house with incredible mountain views, 2 bedroom apartment, large workshop, pool and gardens.

Situated on the edge of a pretty village, this house has absolutely spectacular views of the Pyrenees mountains. Only 35 minutes to Carcassonne, this pretty property is in a quite location but is in easy access to the mountains and the sea.

MAIN HOUSE

Ground Floor: Fitted kitchen, living room with wood burning insert, WC and shower room, utility room, second living room with french doors onto the garden and terrace.

First Floor: 3 double bedrooms and a family bathroom.

GITE

With a separate access, there is an apartment consisting of a open plan living room/kitchen, 2 bedrooms and a shower room. This would make a super independent holiday rental or guest accommodation, however it does require some updating.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
