### Property Description

Estate of 16.5ha with 2 houses from 1960

This estate contains 2 houses. A large house of 220 m2 that certainly deserves a makeover and a small house of 75 m2 that has been recently renovated.

For that reason, the small house is in possession of a new septic tank. The big house, however, is an old one. The total land of the estate measures 16.5ha, part of which is hilly.

Layout of the large house: entrance, kitchen with adjoining utility room, large living room with fireplace and partially open dining room, bedroom (now meditation room), large master bedroom with private bathroom, large storage cupboards in the 2 hallways, large space, 2 bedrooms and a 2nd bathroom.

Courtyard garden (Zen) with a shed / garage.

Layout small house: living room with open kitchen, 2 bedrooms, bathroom, storage room.

On the north side is a shelter for storage.

A building permit was once issued for a barn. It has expired. Perhaps this can be requested from the municipality.

The land where the houses are located is flat and for the rest it is hilly towards a big lower part which is also flat.

There is an enclosed vegetable garden.

The small house has a kind of central heating by means of an insert (wood). The large house has a fireplace in the large living room and central heating on oil.

Part of the site is cordoned off for horses.

Beautiful, old trees provide sufficient shade.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
