Property Description

Beautifully renovated house with 2800m2 of garden just outside a lovely village in the Hautes Pyrénées.

With great care and attention, this house has been renovated and transformed into a fantastic place to live and work. One could rightly call this the ideal family home.

The garden is adorned with old trees and many fruit trees. In addition, there is a large above-ground (fixed) heated swimming pool with a small summer residence. A chalet (now storage garden furniture and lawn mower and the like), completes the whole. A greenhouse is also part of the fruit garden. And for spraying, you can use the well present on the plot.

There is a lovely kitchen with door to the rear garden with swimming pool, a spacious living room, entrance with authentic stairs and a large office annex library. A small hallway, which includes the technical room and a beautiful bathroom, leads to 2 rooms that now serve as a studio, but can also easily be furnished as a gîte. Or a super master bedroom.

On the first floor 4 bedrooms and a small bathroom. In front of the house on the first floor a nice romantic balcony. Sauna (4 persons).

At the back of the house there is an open storage room. Workshop

The best materials were used for the renovation.

And as icing on the cake: certainly from the first floor a breathtaking view of the landscape and the Pyrenees.

In short: make an appointment to visit this special house.

You will find this special property near Trie sur Bâise for all your shopping, nice morning markets on Tuesdays and Sundays, events, restaurants, veterinarian and more.

3 quarters of an hour drive from the Col d'Aspin

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
