Property Description

House with 3 gîtes and studio on 4500m2 of land near Masseube

In fact, there are 2 houses. The old house consists of 3 bedrooms, with attached a spacious gîte including 3 bedrooms. Attached to it is a spacious gîte (downstairs) with 3 bedrooms. And then another studio. This old

house has also been used as a gîte. On the first floor of the large gîte is the hayloft that can be used for courses, for example.

Then there is a second house that was built in the former hangar. That is nice and spacious and also with 3 bedrooms.

Because the gîte complex was renovated around 2004, it is time for a second renovation round.

The second house is of a much later date and therefore only needs a decoration round. Probably a new kitchen. There you can live during the renovation.

On the grounds of 4500m² you will find a spacious swimming pool of 12 x 6 meters with fence. A new liner will be needed. Depth 1.00-1.80meter.

Furthermore, a well.

The whole is located between 2 villages, near a large lake. And near Masseube for all your groceries and doctor, tabac, cinema, shops, restaurants, garages and everything French life has to offer here. You have no immediate neighbors.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
