Property Description

A well-presented period property, comprising the rear half of a large Maison de Maître, offering approximately 290m² of habitable space with 6 bedrooms and 2 bathrooms, a garage and a private garden of almost 1600m² located in the centre of a winemaking village in the Corbieres.

The Maison de Maître has been divided in half to create 2 separate dwellings (one to the front and one to the back, with a shared central hallway) but without losing any of the character and charm of the building. The half for sale faces the garden to the rear. It has been sympathetically restored, preserving many original features such as the tiled floors, fireplaces and woodwork.

On the ground floor, a private entrance door opens onto an inviting tiled hall with a salon to the left of the hall and a dining room/kitchen to the right. A door from the hall opens onto the spacious communal hallway and staircase which gives access to the upper floors. On the first floor, there are 3 bedrooms, including the master bedroom, and a shower room. On the top floor, there are 3 further bedrooms, one with en-suite bathroom. The communal hallway on this floor also gives access to a large attic that is shared between the 2 homes, useful for extra storage.

Outside, the extensive partially walled garden is secluded and not overlooked, with outdoor lounge area, mature trees, gravelled and lawned areas as well as a garage. There are 2 wells, which irrigate the various fruit trees and planting in the garden.

This unusual property is in good condition, necessitating little further works. It offers the grandeur and style of a substantial period property, but on a more manageable scale.

Thézan-des-Corbières – Winemaking village in the Corbières region with amenities. Surrounded by local wineries and heritage sites such as Abbaye de Fontfroide, Lagrasse and the City of Carcassonne and with easy access to the market town of Lézignan-Corbières and the city of Narbonne. 30/40 minutes from beaches, 40 minutes from airport at Carcassonne and 50 minutes from Béziers and Perpignan airports.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
