Property Description

In the Cadours sector, 20 km from Grenade, 30 km from Pibrac, 35 km from Colomiers and Blagnac, 40 km from Montauban, I am pleased to offer you this late 19th century Toulouse house of 575m² on the ground whose 370m² of living space are restored with charm and authenticity.

Past the porch, the main entrance serves the whole house. You will be seduced by the large living room of nearly 85 m² with its cathedral ceiling and its exposed framework, its lime and terracotta walls as well as its heated floor and its fireplace. This room gives access to a covered terrace and a veranda.

The fitted dining kitchen with bar, barbecue and pantry is open to the living room. The ground floor also has 3 large bedrooms each with its own shower room/bathroom as well as 4 toilets. A central staircase leads you to a mezzanine of more than 100 m² on which bedrooms can easily be converted.

The 3 attics of almost 200m² in total, level with the mezzanine, offer an additional possibility of development. Finally, communicating with the ground floor by a corridor-cloakroom, you will find 2 adjoining outbuildings of more than 150m² in total, the first with a workshop and the boiler room then the second with a garage in which you can easily put two cars.

The land of almost 5 hectares offers you a panoramic view of the surrounding countryside and a peaceful but not isolated living environment. It includes a garden part with an above ground swimming pool, the other part comprising meadows, woods, vines, orchard and well.

Lots of character and many assets for this property with in particular its DPE classified B thanks to its heat pump, its solar panels and a great potential for evolution according to your projects. Family life with its schools 3 km away, creation of guest rooms or other, everything is possible!

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
