Property Description

Located on a private island, accessible by car, in the small town of Vaux sur Seine, this 106 sqm house benefits from a pretty enclosed landscaped garden of 1956 sqm on the banks of the Seine with swimming pool and private pontoon. This charming house dating from the 80s was adorned in 2020 with a magnificent outbuilding connected by a footbridge and under which a bar has slipped to better enjoy joyful moments

around the swimming pool. The main house, built on a full basement and garage, thus protecting it from floods, is composed of a recently renovated kitchen open to the dining room and the living room, both benefiting from a terrace and enjoying an elegant insert. A first bedroom with its bathroom completes the level. Upstairs, a large landing that can be used as an office or games room leads to two bedrooms on the right, one of which has a mezzanine. These two bedrooms share a bathroom with a marine spirit. To the left, a fourth bedroom is nestled under the attic of the house. The 30 sqm outbuilding, for its part, includes a bedroom under a cathedral roof overlooking the swimming pool, a dining kitchen and a bathroom. High up, a sleeping area that looks like a cabin will delight children. Annex offering the joy of being together while having independence, liberal office or rental income, the projections are multiple. Outside, between the house and the Seine, at the foot of the outbuilding, a magnificent swimming pool promises moments of conviviality, with the bar and the barbecue nearby, as well as the pool house with shower and WC. Heat pump installed in 2024. All that remains is to moor the boat and enjoy the many nautical activities! The Island of Vaux-sur-Seine is a true haven of peace which stretches over 2 km. Access is via a private and secure bridge, reserved for residents and their guests with the presence of a live-in guard. Vaux sur Seine station (Gare Saint-Lazare in 40 min or 5 stations from RER A Conflans Fin d'Oise station) 10 min. Access to the future RER Eole station (in 2024 - Access to La Défense in 5 stations) 15 minutes by car. Shops 5 minutes away. Access to the A13 and A14, 15 minutes by car. A15 access 20 minutes by car. 37 km from Porte Maillot. ENERGY CLASS: C / CLIMATE CLASS: A Estimated average amount of annual energy expenditure for standard use, established based on energy prices for the year 2021: between EUR1,110 and EUR1,570

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
