Property Description

In the heart of Verneuil-sur-Seine, this 257 sqm family home is surrounded by the city's amenities and just an 8-minute walk from the train station (Line J St Lazare and future RER Eole) and the prestigious educational establishment -Notre Dame des Oiseaux.

This is where the practical meets the pleasant, where daily family life flourishes in harmony.

The street side facade and its surroundings hide the game of the house well: Don't be fooled by appearances! As soon as you walk through the door, the cathedral entrance surprises and sets the tone for the volumes of the house. A double living room of more than 40 sqm reveals its charms and its warm fireplace. The kitchen has been renovated and opens completely to the outside thanks to a 13 sqm terrace which overlooks the garden: it is the beating heart of the house ready to host convivial meals.

On the ground floor, a single-storey bedroom with private bathroom completes the floor and guarantees comfort and privacy.

Back in the entrance, a staircase reveals a real landing room upstairs, generous in volume and brightness, and serving five bedrooms, a bathroom and an additional toilet. The garden level offers a picture of greenery and tranquility. A 27 sqm bedroom overlooks the garden, next to a bathroom, a spacious laundry room, an office and a sewing workshop, all enjoying a soothing view of the outside.

At the back, the facade reveals this magnificent architectural gesture, thus breaking the initial codes of the house and we take pleasure in contemplating it from the good-sized garden and so pleasant even in the heart of the city.

This house, designed for family life, is located in a town which skilfully combines access to services and the comfort of a peaceful setting. Verneuil-sur-Seine, welcoming and charming, presents this attractive proposition for those seeking to merge comfort and functionality in their family home.

A covered garage completes the property as well as several parking spaces outside. The whole is located on a plot of 461 sqm.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
