Property Description

In the purest tradition of rehabilitated and reinvented industrial spaces in the heart of the city, this 122.70 m2 Carrez loft, ultra bright and calm, is an ode to serenity.

On the third floor of an industrial building, discover a very beautiful and large living room integrating the living room, the equipped American kitchen as well as the dining room which can also be used as a work space.

The design of this first room invites serenity through the volumes, the choice and quality of the materials and the numerous glass roofs which illuminate the space.

Very large invisible full-height cupboards integrate the ultra-organized aspect of this unique living space.

You will then discover the night spaces composed of two beautiful bright bedrooms with dressing room.

They are separated by a large bathroom dressed in gray and white tones, signing as for the whole apartment a concern for the layout and decoration, without ostentation, but with a chosen and refined decoration.

The raw and light wood structure of the building is subtly omnipresent throughout this loft and harmoniously highlights the 50 shades of white in the apartment.

Possibility of fitting out a pantry-storage space on the landing.

Property benefiting from an office destination.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
