Property Description

At the end of a planted courtyard, between the Cité des Fleurs and the Square des Epinettes, nestles this real estate complex totaling 205 m2 (67.95 m2 Carrez).

It stands out for its resolutely atypical character and its serene atmosphere.

This living space is spread over three levels designed to offer a good balance between privacy and space.

The entrance opens onto a 23.5 m² living room converted into a lounge with open kitchen. The room has two large windows overlooking the pleasant courtyard.

A Roger Tallon-inspired staircase leads to the upper floor consisting of an 8.5 m² room adjoining an independent STUDIO of 14.5 m² (including kitchenette, shower room and toilet) which can be connected to the apartment or kept separately.

The basement, accessible from the living room, a real asset of this property, extends over 135 m² and opens up multiple possibilities for development, whether for a leisure area, an office, or even a creative workshop, intended for music, sound and image lovers.

This vast modular volume allows the place to be adapted to various life projects, while preserving everyone's privacy.

The basement elegantly leads to another part of the courtyard level, where there is a 13 m² bedroom and a bathroom with a walk-in shower.

In search of a unique place to live, this property will seduce lovers of rare and inspiring spaces, offering a break of tranquility and character.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
