Property Description

Close to the Petite Ceinture and the Parc des Expositions, this former duplex artist's studio has a surface area of 136m² (130.14m² Carrez).

It is nestled on the top floor with elevator of a beautiful artist's studio building whose construction dates from

1900 and comes from the Paris World's Fair. This studio with its extraordinary volume is the result of a colossal and unique renovation.

The property opens onto an entrance with storage and a first bathroom with WC on the right. The corridor has been restructured to accommodate a pleasant equipped kitchen on either side. It is extended by the dining room and its pretty fireplace. Adjoining this space is the first bedroom.

A true architectural product, the impressive 56m² living room stands out at the back of the studio, benefiting from a ceiling height of 6m, and a large glass roof providing constant light to the whole in double North-West exposure. It is completed by a large 4m² balcony as well as a spectacular custom-made piece of furniture to enhance this space.

A staircase provides access to the upper floor and allows you to enjoy the view. It is clear, green and calm. You can also see the Eiffel Tower or hear the birds singing on the green belt. On this level, there is a spacious bathroom with a freestanding bathtub and a walk-in shower. It also has openings onto the living room and a double sink. The upper floor is completed by a separate toilet and two bedrooms, including the 20m² master bedroom with a view of the rooftops. The volumes, the light and the exceptional character of this workshop make it a unique and rare property that will satisfy those looking for a unique living environment where tranquility reigns. A cellar completes this property.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
