Property Description

Located in the famous rue Boissonade, opposite the 6th arrondissement, in a superb condominium steeped in history, this artist's studio with a surface area of 86 m2 (81 m2 Carrez) has been completely redesigned by an architect.

It is characterized by brightness, absolute calm and the quality of services. The entrance opens onto a living

room organized in open space, consisting of a living room, a custom-designed kitchen and a dining area. The combination of materials used offers a real universe: Pyrenees marble, Roman travertine stones, custom wood finishes, clever lighting: so many assets which reinforce this perfectly successful contemporary renovation.

The whole is lit by a workshop glass roof with solar treatment which is magnified by a high ceiling. On the lower level, in a true house spirit, there is a bathroom with bathtub and shower, a laundry area and two bedrooms benefiting from custom storage and natural overhead lighting.

The crazy charm of the co-ownership, the calm, the light, the quality of the materials, make this artist's studio a very rare property in a very sought-after area.

ENERGY CLASS: D / CLIMATE CLASS: B. Estimated average amount of annual energy expenditure for standard use, established based on energy prices for the year 2021: between EUR1,150 and EUR1,600 per year. Although subject to the status of co-ownership. Metro: Raspail

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of ours agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
