Property Description

Located at the end of a private cul-de-sac facing Montsouris Park, in absolute calm, this artist's house with a surface area of 220 m2 offers a successful alliance between an Art Deco style and resolutely contemporary architecture. Just rehabilitated by an architect with ultra high-end services and never before inhabited, this house was designed with two key words: light and comfort of life.

It benefits from 68 m² of outdoor spaces consisting of a patio, a terrace and a rooftop.

From the entrance the tone is set: the materials chosen bring a real aesthetic pleasure while integrating perfectly into the soul of the place. A reception hall with custom-made storage opens onto a superb kitchen with marble cladding from the 'black cosmic' collection from Boffi. In the extension, a spacious living room, magnified by a high ceiling, is lit by large workshop-style windows.

It is via an aerial staircase, a true design object, that we access the first floor. It consists of an office space which overlooks the living room and a master suite which benefits from two dressing rooms, a bathroom and a terrace.

The second floor distributes two bedrooms, each with a bathroom and a fourth bedroom which also offers a real universe, notably thanks to this iconic bathroom from the "Pipe" collection from Boffi.

The top floor is dedicated to the rooftop which benefits from all the exhibitions and offers a clear view. Always with comfort in mind, everything is fully managed via integrated home automation and a large parking space is reserved in front of the house for the owners.

The village spirit of the neighborhood, the history and charm of this private cul-de-sac in absolute calm as well as the quality of the services designed to facilitate the simplicity of everyday life, make this house a place to live that generates emotion in a highly sought-after sector.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
