Property Description

It is in the Maroc district, close to the banks of the Marne and the future metro 15, that this old carpentry workshop is located, converted into a 191m2 triplex with its independent studio.

This district owes its name to the old market garden fields that it once housed.

The industrial activity that developed there later gave rise to a few factories and other manufacturing

facilities converted into residential lofts.

This inverted triplex surprises as soon as you walk through the front door, and for good reason.

The entrance opens onto the 50m² wellness area 14m² bedroom.

A separate toilet with a washbasin completes the floor.

The next level leads us to the 50m² living room. And what a room!!

The high ceilings, exposed beams, triple exposure and fireplace make the place unique and exceptional.

All the ingredients of the much-loved recipe for "love at first sight" are here.

A bedroom with its own bathroom and a separate toilet complete the level.

The top floor houses on the one hand the 28m² master suite with a bathroom with bathtub and a dressing room.

And on the other hand, the 14m² terrace which overlooks the building.

So close to Paris and the Bois de Vincennes and thanks to its still affordable prices, Maroc is a district of Champigny sur Marne on which to bet.

On Sundays, joggers, walkers, cyclists and rollerblading enthusiasts reclaim the quays which become pedestrianized, thus offering great activities to its residents.

This property is subject to the co-ownership regime.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
