### Property Description

A unique address where industrial elegance meets contemporary comfort in a highly sought-after area. This former upholsterer's workshop, beautifully renovated into a 113m<sup>2</sup> 112.89m<sup>2</sup> Carrez duplex loft, combines old-world charm with modern lines.

From the street, a first entrance door opens into a 27m<sup>2</sup> commercial space, which can be converted into a shop, office or living room. An ideal place to host your projects while opening harmoniously onto a 92m<sup>2</sup> living area on the courtyard side.

On the ground floor, the soul of the place is revealed: a spacious and friendly dining kitchen, extended by a lounge area concealing a TV.

The room is enhanced by an elegant glass roof also flooding the mezzanine with natural light. A contemporary and bright bathroom with bathtub, shower and toilet completes this level.

A spiral staircase, the backbone of the place, leads upstairs to a mezzanine converted into a lounge inviting you to relax.

On either side, two cozy bedrooms offer peace and privacy, ideal for entertaining or working in peace.

The secret asset of this loft lies in a 30 m<sup>2</sup> rooftop, a rare and precious outdoor space, perfect for special moments in the open air.

Completely renovated and in perfect condition, this property does not require any work. It offers remarkable flexibility thanks to its generous volumes and its easily modular ground floor space.

In the immediate vicinity of amenities, renowned schools (including the German National School of Paris) and only an 8-minute walk from the train station, this loft is a rare opportunity for those looking for an atypical and functional place to live.

Let yourself be seduced by the harmony between the history of the place and the modernity of the services.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
