Property Description

This 160 sqm dual-aspect house is ideally located in the quiet, residential area of La Varenne in Noisy-le-Grand. It was built on two levels and has a 200 sqm garden and a 65 sqm patio.

On the garden level, a large, bright hallway with cupboards leads to the double dual-aspect living room bathed in light thanks to the many openings and the double East-West exposure. The kitchen opens onto the living space with an adjoining pantry. A carved wooden fireplace separates the dining and living area. A

toilet with a washbasin completes this level.

Upstairs, a large landing room with a good height and a mezzanine leads to two bedrooms and a shower room with toilet.

The whole is modular according to desires or needs, including the possibility of creating a third bedroom.

In the garden, a two-level outbuilding benefits from an apartment consisting of a living room, an open kitchen, a bedroom and a bathroom with WC.

The whole is completed by a real wine cellar, a laundry/boiler room as well as a garage. The annex also has an independent entrance on the street, ideal for a liberal profession or for renting.

This residence a few steps from the city center and the Marne has a country feel.

Quiet, nestled in the greenery, it is a beautiful place conducive to family development and the art of entertaining.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
