Property Description

Located on the edge of Paris and the 13th arrondissement, this 112m² Carrez condominium house (125m² floor space) is built around a charming private courtyard with trees located in front of the building.

From the one-way street, the surrounding wall gives little indication of the charm of the building dating from the beginning of the last century.

Once through the gate, the interior courtyard acts like a green airlock. The bustle of the city suddenly disappears, giving way to birdsong and silence.

The ground floor serves a first living room of 37m² with open dining kitchen and a separate bathroom. The fireplace and its open hearth portend wonderful winter fires with family or friends. The house's old garage, accessible from the main living room, has been cleverly converted into an 11.5m² bedroom with a bathroom.

The first floor accessible from the wooden staircase houses a second living room of 10m², a separate toilet, a master suite of 12m² with a private bathroom and two terraces.

A second bedroom of 11m² currently used as an office is also available on this level as well as a laundry area. The modern connecting staircase accessible from the 1st level living room leads to the top floor which leads to a new 14m² bedroom, a bathroom and a separate dressing room.

This town house with tree-lined courtyard and double terrace located in a suburban area of Ivry offers constant tranquility. Ideally composed for a family looking for space wishing to stay close to the dynamism of Paris.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
