Property Description

Located in a very quiet green setting, sheltered from view and in a residential area close to shops, schools and transport, is a unique contemporary house built in 1990 on a plot of 299 m2.

Having been extended in 2014, it now totals 224 m2 including 196 m2 of living space spread over three levels (a basement, a garden level and an upper floor).

The garden level distributes a vestibule, a large double living room (the living room of which is decorated with a fireplace) with a kitchen open to the dining room, as well as a guest toilet. Two terraces extend on either side of the living room, one of which provides access to a large independent office/guest room (also accessible from the garden and a third terrace).

The upper floor has three beautiful bedrooms, a bathroom (shower and bathtub), a separate toilet and a master suite with a shower room and toilet, extended by a pretty hanging patio.

The large basement (with windows) gives access to a large room serving as a home cinema and music room (another master suite or very large bedroom possible). A shower room with toilet, a laundry room and a cellar complete this level (a potential independent access is possible).

This amazing house can accommodate up to six bedrooms, and can suit many profiles (liberal profession, large family or people wanting a lot of interior space). Charm, Calm, interior space that can be converted (attic) and redeveloped according to needs characterize this house whose PLU allows a possible elevation.

The land also has a parking space for a car.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
