Property Description

It is in Ivry sur Seine and on the 1st floor of a charming condominium, accessible by elevator or from a passageway on the first and last floor that this duplex loft is located, totaling 131m2 Carrez (135.85m2 on the ground).

This unique and bright place was shaped by its owner in order to accommodate an architectural agency still currently in business.

The entrance opens onto a vast main room, crossing and entirely open, of 89m² whose bay windows offer a breathtaking view of the garden of the condominium.

This rational space with significant reception potential has a functional wood stove and a superb ceiling height.

A staircase connecting to the upper level is accessible at the end of this room and leads to a hallway distributing a kitchen, a toilet and a meeting room.

The original masterful metal beams pay homage to this place with a strong industrial past. Insulation has been carried out, offering a comfort of life rare in this type of habitat.

An outdoor parking space located within the condominium as well as a reserve complete the ensemble.

Ivry Sur Seine is traditionally renowned for its rich industrial heritage and for its large-scale rehabilitation projects.

It is just a stone's throw from the Seine, in the rapidly changing Ivry Port district that this former button factory stands with walls full of history and stories.

The communal garden of this condominium is a place for meeting, exchanging, and sharing.

It creates the conditions for a life focused on nature within a close-knit community where mutual aid and kindness reign.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
