Property Description

This real estate complex is divided into 3 parts, the first is a dwelling of 88 sqm, the second is an old barn of 77 sqm then the third a studio of 20 sqm completely renovated. The whole is located in the Longchènes district of Bullion in a quiet and landscaped environment out of sight while being close to the amenities of Clairefontaine, Limours, Rambouillet and Dourdan. With its total area of 185sqm on a superb plot of

The first house of 88 sqm benefits from a beautiful living space including an equipped and fitted kitchen with a central island with a dining area, a comfortable living room with an insert fireplace to spend warm and friendly moments. The bay window leads to an atypical and attractive terrace with its fireplace and a small jade green swimming pool to cool off (possible to swim against the current) while contemplating the superb raised ground and the wood belonging to the property. From the entrance, a concrete staircase like a sculpture leads to two pleasant suites with their own walk-in shower room and a dressing room. A pantry and a bathroom complete this property. The second house of 77 sqm is just as charming. It consists of a pleasant living room including a dining kitchen and a very cocooning living room with its wood stove and a wooden terrace always out of sight. By a superb hécoloidal staircase in wrought iron mottled with fleas you will arrive on 2 rooms having each their room of water. A pantry and storage complete this property. An independent studio of 20 sqm offers a pleasant living space which offers an equipped American kitchen, a living room and a sleeping area, an Italian shower room and toilets. A pleasant terrace sheltered from the 2 other dwellings. Currently operated in Airbnb (very profitable rental yield). It is also possible to combine the 2 houses in the form of a glass roof or veranda in order to make a comfortable and spacious home. All double-glazed frames are made of aluminium. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
