Property Description

In a village in the Yvelines less than 1 hour from Paris, this historic castle offers immense potential for heritage and renovation enthusiasts looking for greenery and nature.

The main building offers approximately 350 m2 of living space spread over 4 levels.

On the ground floor, a superb entrance hall leads to a dining room with a monumental fireplace, a large reception room of over 50 m² with large openings overlooking the park, and a small kitchen to be redesigned.

The upper floors are served by spacious landings and currently total 9 very comfortable bedrooms, several bathrooms and an attic to be converted.

Period woodwork, authentic parquet floors and sculpted ceilings bear the history of this residence that is just waiting to be revived.

The semi-buried basement offers many development possibilities with its cellars, workshops and the former servants' kitchen.

The park of more than 3.5 hectares offers a bucolic and exceptional setting with its lime tree avenue classified as a Historic Monument. There is a tennis court to renovate, a gazebo sheltered from view which makes a real observation post to contemplate the park throughout the seasons.

Finally, the property has 400 m² of outbuildings to restore, spread around the castle: caretaker's house divided into several parts, garages, sheepfold, stables, and dovecote.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
