Property Description

Nestled in a privileged setting in the heart of Ile Saint Germain in Issy-les-Moulineaux, this family property with wooden cladding built in 2000 displays its 300 m2 with a perfect symbiosis between comfort and elegance. Its pleasant garden, a true green setting, extends to the banks of the Seine, revealing a terrace at the water's edge as well as a private pier for mooring a boat.

The ground floor, renovated in 2021, offers a very beautiful space where life is good. Upon entering, the fully equipped dining kitchen is revealed behind an elegant workshop glass roof. The large reception room which follows is perfectly arranged. The dining room opens directly onto the terrace and the garden, while a warm living room with a porthole offers a panoramic view of the Seine, combining relaxation and conviviality in a masterful way. A bedroom and a bathroom complete this level.

On the first floor, the master bedroom stands out for its superb ceiling height and its large openings which allow you to take full advantage of the privileged environment. This level also includes two beautiful bedrooms and a bathroom. The upper floor offers a large attic bedroom with its bathroom, and various storage spaces.

An independent industrial-style workshop/office, accessible from the house or the garden, offers an inspiring setting with a view of the Seine, conducive to creativity.

To complete these great amenities, the house has a converted mezzanine including a bedroom, a large room that can be used as a gym or cinema room, a laundry room and a cellar.

Only a few minutes from Paris, this holiday-style family home will seduce you with its extraordinary charm. The alliance between contemporary architecture and real comfort of everyday life creates an atmosphere where time seems to stand still.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
